

## **New Cancellation Policy – Please Read** 🦶🦶

To better serve all of my wonderful patients and manage my time effectively, I'm introducing a cancellation policy for foot care appointments. This will help ensure everyone gets the care they need and that my schedule as a fully mobile Foot Health Professional runs smoothly.

New Policy - Effective from 1st October 2025

Cancellations or reschedules must be made at least 24 hours in advance.

Late cancellations (under 24 hours) may incur a 50% of service charge.

If I've travelled to your home and you are NOT home you will be charged the full price of the missed appointment.

I completely understand that emergencies and sickness happen — if something comes up, just call, text or email me as soon as you can. Your time is valuable, and so is mine

Thank you for your understanding and continued support.
